We will deepen the Fusion I practices and use the purified “pearl” to create a compassion pearl (unified and strengthened by the energies of our positive feelings) which allows us to keep our hearts open in a higher state of consciousness – eventually manifesting for us effortlessly a positive way of being in the world with high quality virtues and integrity.

## Fusion II & III

The Eight Cosmic Forces flow in the body via the Eight Extraordinary Vessels. These channels are a key in preventing and healing chronic illnesses and "mystery diseases". Fusion II & III develop the psychic skill of your five shen / organ spirits that control the eight channels - the interface of your Energy Body with the environment. We will deepen the Fusion I practices and use the purified "pearl" to create a compassion pearl (unified and strengthened by the energies of our positive feelings) which allows us to keep our hearts open in a higher state of consciousness – eventually manifesting for us effortlessly a positive way of being in the world with high quality virtues and integrity. We also purify, activate and enhance the flow within the Eight Extraordinary channels, mainly in the 3 core channels, belt channels and bridge and regulator channels.

### Rentao

As a former professional athlete and sports teacher, I was looking for training methods that work from the inside out instead of from the outside in. I found the answers in UNIVERSAL HEALING TAO (UHT) and became a student, assistant and senior instructor of Grand Master Mantak Chia - founder of the UHT system. I ran a Taoist health centre in the Swiss Alps for over 12 years and have been teaching all over the world for more than 30 years. In 2008/2012 I organised the first European UHT Instructor Conferences with over 250 instructors from 27 countries. As a coach, I share my health prevention concepts **flowjoy®** and **4-Dimensional Health (4-DH®)**, as well as practical exercises that enable every human being to live in flow, joy and love in 24-hour everyday life.
